The Bill Clark Athletic Scholarship Fund

In 1988, a group of NC A&T sports loyalists formed the William "Bill" Clark Athletic Scholarship Fund. The purpose of the Fund is to raise money to support the athletic programs of NC A & T State University. The Fund's only stipulation to the University is that the money is shared equally between BOTH male and female sports.

In 2013, over \$27,000 was contributed to the Fund. With that donation to the University's Athletic Department, the Bill Clark Fund has donated over \$418,000 since 1988.
